In re Application of : OFFICE OF PETITIONS  
Eliyahou Harari et al :  
Application No. 09/925,134 : DECISION GRANTING PETITION  
Filed: August 8, 2001 : UNDER 37 CFR 1.137(b)  
Attorney Docket No. 11587 M-10237- :  
1P US :

This is a decision on the petition, filed July 21, 2003, which is being treated as a petition under 37 CFR 1.137(b) to revive the instant nonprovisional application for failure to timely notify the U.S. Patent and Trademark (USPTO) of the filing of an application in a foreign country, or under a multinational treaty that requires publication of applications eighteen months after filing. See 37 CFR 1.137(f).

The petition is GRANTED.

Petitioner states that the instant nonprovisional application is the subject of two applications filed in an eighteen month publication country on May 8, 2002. However, the USPTO was unintentionally not notified of this filing within 45 days subsequent to the filing of the subject applications in an eighteen month publication country. Subsequent applications were filed on May 14, 2002, January 13, 2003, January 17, 2003 and January 18, 2003.

In view of the above, this application became abandoned pursuant to 35 U.S.C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) for failure to timely notify the Office of the filing of two applications in a foreign country or under a multilateral international agreement that requires publication of applications 18 months after filing.

A petition to revive an application abandoned pursuant to 35 U.S.C. 122(b)(2)(B)(iii) for failure to notify the USPTO of a foreign filing must be accompanied by:

- (1) the required reply which is met by the notification of such filing in a foreign country or under a multinational treaty;

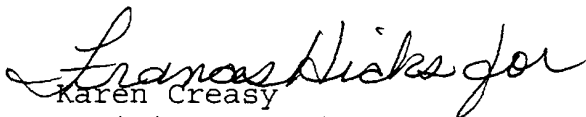

- (2) the petition fee as set forth in 37 CFR 1.17(m); and
- (3) a statement that the entire delay in filing the required reply from the due date of the reply until the filing of a grantable petition was unintentional.

The instant petition has been found to be in compliance with 37 CFR 1.137(b). Accordingly, the failure to timely notify the USPTO of a foreign or international filing within 45 days after the date of filing of such foreign or international application as provided by 35 U.S.C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) is accepted as having been unintentionally delayed.

The previous Request and Certification under 35 U.S.C. § 122(b)(2)(B)(i) has been rescinded. A Notice Regarding Rescission of Nonpublication Request which sets forth the projected publication date of December 25, 2003 accompanies this decision on petition.

Any inquiries concerning this decision may be directed to the undersigned at (703) 305-8859.

This application is being forwarded to Technology Center Art Unit 2826 for examination in due course.
